

## Participant Requirements - Indoor/Outdoor

Please be aware of the following guidelines when participating in Jacksonville Community Center (JCC) activities:

1. Pre-registration for all programs is strongly encouraged. If you do not pre-register, you will be required to fill out a waiver each time you participate in one of our programs, and will not be able to be notified if the class is changed or canceled.
2. Please do not attend a class at the JCC if, in the past 14 days, you have been in contact with anyone that you knew had COVID-19, or if you or anyone in your residence has had any of the following symptoms in the last 7 days: fever greater than 100 degrees, cough, sore throat, respiratory illness, difficulty breathing or loss of taste or smell.
3. Masking requirements for each JCC activity are at the instructor's discretion. Please consult our website for masking requirements for each class. Please bring a mask to each class as conditions and comfort levels change quickly.
